

NIJSHA ENTERPRISE
The Support of Global Industries

September 2010

Nijsha Enterprise Inc. is pleased to announce that they have been ISO 9001:2008/AS9100:2004 Rev B Compliant Certified. In addition to its Small Business, Small Disadvantage Business, and Minority Business Enterprise Certifications, Nijsha continues to improve its quality standards by updating its quality methods. "ISO quality standards are just one way in which we ensure our quality standards meet customer expectations." Nijsha continues to seek new certifications to improve upon the high standards already in place.

Nijsha Enterprise is an excellent resource for all your custom cables and electronic needs. From your computer to the automobile you drive, to the ATM, cell phone, satellites, and telecommunication equipment; even the manufacturing equipment and machinery used in your plant, everything operates by electronics in one way or another. Nijsha Enterprise can assist you in acquiring the materials you need in a timely manner. Be assured of meeting your project budget with quality and confidence. Give us the opportunity to show you that honesty and integrity doesn't have to come at a high price.

We look forward to working with you!

Regards,

Jerrell Johnson Jr.
Owner, Nijsha Enterprise Inc.
