

NIJSHA ENTERPRISE INC.
The Support of Global Industries

September 29, 2017

Nijsha Enterprise, Inc. is pleased to announce it has received HUBZone Certification from the Small Business Administration (SBA). The company will now be able to assist government agencies in procuring solutions for their IT, manufacturing and wireless needs.

The purpose of the HUBZone Program is to create economic development and provide federal contracting preferences to small businesses. These preferences go to small businesses that obtain HUBZone certification.

Jerrell Johnson, CEO of Nijsha Enterprise, Inc. said, *“The HUBZone program improves unemployment. This designation allows Nijsha Enterprise, Inc. to create economic development.”*
